

2015-03-09 First day of workshop		
9:30 – 10:00	Welcome & Introduction of participants	Frank Kargl, Ulm University
10:00 – 11:00	Privacy Motivation & Introduction	American University of Paris
11:00 – 11:15	Break	
11:15 – 12:45	Data Protection and privacy Principles	Pagona Tsormpatzoudi, KU Leuven
12:45 – 13:15	Exercise	
13:15 – 13:30	Discussion of exercise	Pagona Tsormpatzoudi, KU Leuven
13:30 – 15:00	Lunch	
15:00 – 16:00	Privacy enhancing technologies	Carmela Troncoso, Gradiant
16:30 – 18:30	Guided tour of Ulm	Ulm University
18:30 – ...	Dinner	

The goal of the first day is to get a general understanding of the privacy problems which can occur and the corresponding legal regulations. PETs will also be presented, but so far we have no general framework on how to put those pieces together. This will be the topic of the second day.

2015-03-10 Second day of workshop		
9:30 – 10:30	Privacy Methodology I	Antonio Kung, Trialog
10:30 – 10:45	break	
10:45 – 11:30	Privacy Methodology II	Nicolás Notario, Atos
11:30 – 12:00	Exercise	
12:00 – 12:15	Discussion of exercise	Henning Kopp, Ulm University
12:15 – 13:45	Lunch	
13:45 – 15:15	Discussion of questions	Selected pripare specialists

The goal of the second day is that the participants get to know the pripare methodology and learn how to apply it. Here all the various pieces which they learned in the first day of the workshop should connect.

In the last slot, we discuss various questions, which the participants have sent us via mail before the workshop.
